

Marc Izzard

March 15, 1957 - January 5, 2013

Family will be handling services.

Tribute Wall

RG

“ *Marc will be dearly missed by so many people whom he helped over the years. His design influence will be noted for many years to come in our homes and lives. He was a friend and caring motivation for my sister Carolyn Wachtel's recent transition to a smaller home. She could not have accomplished this without his direction. Marc, we miss you already. Thank you for crossing our paths on this earth.*
