“ *I considered Scott to be a very good friend of mine. I had worked with Scott at Chase Field and US Airway Center and it was always a pleasure to see him and work with him.*

*away from work Scott and I would spend hours at a time talking about Phoenix in the old days among many other things. I will really miss Scott.*

*Scott endured hardship in his life yet you would not have known it just talking to him.*

*The only good thing about his passing is that he wont be suffering the ill effects of the cancer.*

*Scott may you rest in peace my friend!*

*very sincerely Bruce Watson*

*Glendale Arizona.*
