

Stanley Olson

November 24, 1940 - February 1, 2013

Family will be handling services.

Tribute Wall

RE

“ *To the family of Stan Olson, He was like a brother to me. He will be missed. Even though we did not spend a lot of time together the last few years. He was always a friend. He was a battler and gave everyone he met a warm handshake and a confident smile. I will miss him greatly please let me know when you will be having a memorial service.*
