GM

“ *I had the opportunity to visit Walter and his sweetheart Bertha over the past 4 years. Jack Francis and I always loved visiting them in their home. Walter, though not a member of our Church was always there and was always a friendly, down to earth and a joy to talk with. He was one of those guys who you just can't help like. I will miss him..but know that we will meet again...and I look forward to that.*
